**GROCERY STORE
CATCHES FIRE****At 3:30 O'Clock Monday Morn-
ing--Part of the Building
Saved by Prompt Work****ORIGIN OF FIRE UNKNOWN.**

The grocery store and residence of David Adams, on Railroad street caught on fire at 3:30 o'clock Monday morning in some manner and when first noticed by the railroad call boy, flames were breaking through the side of the building next to the alley. An alarm was turned in and in an incredible short time water from two hose was turned on the building and the lower half of it was saved. This building is probably one of the oldest in the city and burned rapidly but the prompt efficient work of Earlington's up-to-date fire department soon had the fire under control. The goods were damaged by fire and water and the furniture and fixtures are almost a total loss. Mr. Adams and wife were asleep in the upper room and were awakened by some one pounding on the door and yelling fire. The building belongs to the Morgan heirs and was covered by \$1,250 insurance, the stock carried \$1,550 insurance and the household goods were insured for \$250. Mr. Adams will not again go into business here but will probably locate in Madisonville. The origin of the fire is unknown but was probably caused by rats carrying matches behind the ceiling and outer wall.

Mrs. Fenwick had been a resident of this city about twelve years, moving here from Henderson immediately after her husband died. Church Notes**The Revival**

The revival at the Christian church is taking on great proportions. Very large audiences attend all the services and the interest is very great. Up to Monday night there have been eighteen additions to the church, fifteen of them by confession of faith and two by letter. On Monday night eleven young men made the confession and the outlook for a great revival is certainly promising. The sermon tonight will be on "The Conversion of a Murderous Mob." The sermons for the next two or three nights, we are informed, will be on different phases of conversion. The town is awakened on the subject of religion as it has not been for years before. Only good can come of such an awakening.

The Baraca Class of the M. E. Church, South, is still growing. Three additions to the class Sunday. Next Sunday afternoon at 2 o'clock the regular business meeting will be held in the E. A. C. Club Room. All members are earnestly urged to be present, as much business of great importance is to be transacted. Sunday will be Mother's Day and the class will show their appreciation of and reverence for their mothers in a most beautiful and simple manner. The mothers of all the boys are invited to attend. Come and join us if not a member of some other Sunday school. A quartette and choir is being organized. We are doing something. "Come over and help us."

Madisonville Notes

BY AILEEN DAVIS.

**Brilliant Reception and Dance Given by
Mr. John Morton McPherson at Elks
Home Wednesday.**

The most elaborate social function ever given in Western Kentucky was the reception and dance tendered Mr. and Mrs. J. D. McPherson, Jr., Wednesday evening, May 3, at the Elks' Home in Madisonville, by Mr. John Morton McPherson, in honor of their third anniversary.

This magnificent home was truly a bower of loveliness--being decorated throughout with Southern smilax, bay trees, palms and potted plants, as well as quantities of yellow and white cut flowers.

The yellow and white color scheme was, in every detail, prettily carried out.

Over the stairway, leading up into the hall, which opens into the reception room, were erected electrical arches, covered with yellow and white tulle, twined with Southern smilax and studded with tiny yellow and white iridescent lights, which veritably peeped from a mass of greenery.

In the center of the reception room was placed an electrical Maypole, wrapped in streamers of yellow and white tulle and twined in ropes of Southern smilax. From the top of this electrical column was artistically draped, intervening streamers of yellow and white gauze caught in lovers' knots to the window casing and door lintel. In each of these windows, underneath this gorgeous canopy of yellow and white, were arranged potted plants, covered in yellow and white blossoms and embedded in a greenery of smilax, which hung in beautiful festoons from the sills of the high windows.

The famous Geiss orchestra of Evansville, which furnished the most entrancing music during the reception and dance, was arranged at the end of the hall behind a trellis of Southern smilax, studded with electric lights, hooded in delicate shades of yellow rosebud glazes. From the ceiling, just over this screen of greenery, was suspended an electrical "M," twined with smilax.

The receiving line was composed of Mr. John Morton McPherson and Miss Mayme Wooten, Mr. and Mrs. J. D. McPherson, Jr., Mr. J. B. Brasher, Mr. and Mrs. J. D. McPherson, Sr., Miss Margaret McPherson and Mr. Albert Noe, Miss Davie Hendricks and Mr. Thurlio Galt Essington, of Chicago, Ill.; Miss Louise McPherson and Mr. Marvin Furish, of Paducah, Ky.; Mr. and Mrs. J. L. Gray, of Princeton, Ky.; and Mr. Manuel Wilson, assisted in entertaining the guests.

Miss Mary Louise Walker and Lawson Faxon presided at the guest book, which was beautifully handpainted in sprays of dogwood and tied with loops of yellow satin ribbon.

Mrs. J. D. McPherson, Jr., the guest of honor, was charmingly gowned in a gorgeous white and silver sequin en-train robe over white messaline. She carried a shower bouquet of pink sweet peas and maiden-hair ferns, held with an immense bow of pink gauze ribbon, while strands of pink gauze, tied into lovers' knots, were fastened to sprays of pink sweet peas.

Miss Mayme Wooten was gowned in a most exquisite creation of white crepe-de-chene and real lace, and carried a huge bouquet of bridesmaid roses.

Mrs. J. D. McPherson, Sr., was beautiful in her handsome black silk lace robe, draped over black satin, and trimmed at the square neck with white dutch lace. She carried white roses and her jewels were diamonds.

Miss Margaret McPherson wore an elaborate white crepe-de-chene empire gown, having a crystal-beaded over bodice, with trimmings of bright red, and carried Richmond roses.

Miss Louise McPherson's gown was yellow crepe-de-chene, under a tunic of embroidered gold net. Flowers were Marshal Neil roses.

Miss Davie Hendricks wore a creation of white silk crepe, touched with underlaid bands of gold cloth. She wore a corsage bouquet of yellow iris and maiden-hair ferns.

Mrs. J. L. Gray was gowned in an exquisite ivory satin empire gown, over which was draped a robe of white chiffon, hand painted in empire wreaths of forget-me knots and pink roses, trimmed in cascades of real lace.

Miss Mary Louise Walker's gown was yellow metal-shot chiffon cloth, over yellow messaline, and trimmed in gorgeous embroidered bands. The reception guests were invited from 9 to 10:30 while the dancers arrived at 10 o'clock. At 10:30 a grand march was formed, and was composed of all the guests, lead by Mr. John Morton McPherson and his honor guest, Mrs. J. D. McPherson, Jr., followed by the receiving line and dancers.

The programs had the McPherson crest embossed in gold and tied with yellow pencils, attached to yellow silk cords. The handsome engraved invitations bore the same crest in gold.

The ices were yellow and white. The individual cakes were iced in white, with the "McP." done in gold on top of the white icing. The

yellow and white mints were heart shape.

The table, from which the delicious frappe was served, was beautifully decorated with roses, lillies, and exquisite bouquets of rare flowers, gifts to the honor guest.

**PRESIDENT DIAZ
WILL QUIT****Issues Manifesto That he Would
Resign as Soon as Peace****HAS BEEN RESTORED TO MEXICO.**

President Diaz, of Mexico, issued a manifesto Sunday night declaring that he would resign as soon as peace was restored. He said he would not quit his post until assured there was no danger of a reign of anarchy. During the day Madero issued a manifesto telling his troops he had decided to abandon the frontier for fear of complications with the United States and had ordered a march on the City of Mexico. When Madero heard the news that Diaz was going to resign he countermanded his forward movement and announced his pleasure over the news from the capital. He said he would send the President a telegram of congratulation.

REAPING BENEFITS

From the experience of Earlinton People.

We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of Earlinton residents on the following subject will interest and benefit thousands of our readers. Read this statement. No better proof can be had.

Perry McCulley, Baptist Hill street, Earlinton, Ky., says: "I never had an idea that I would allow my name to be used in connection with a medicine testimonial but I believe that it is my duty to recommend Doan's Kidney Pills, procured at the St. Bernard Drug Store. The effect of this remedy on my system was gratifying. Before I finished the contents of two boxes, my kidneys were restored to their normal condition, and the pains in my back were removed. In fact, my health greatly improved. Taking into consideration my advanced age, this speedy cure was nothing less than remarkable."

For sale by all dealers. Price 50 cents. Foster-McBarn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Miss Gerlie O'Bannon, of St. Charles is visiting friends here.

ERNEST NEWTON.

E. A. C. Defeats Y. M. C. A. Boys.

In a real fast game of ball the E. A. C. boys defeated a bunch of Y. M. C. A. boys of Madisonville Sunday afternoon at the park by a score of 10 to 5 in favor of E. A. C.

Adcock, the young twirler, who hurls from the left, worked for the E. A. C. boys, pitching a nice game holding the Y. M. C. A. boys safe at all times.

The Athletics accorded their pitcher good support with the exception of two errors in the neighborhood of third base. They hit the ball on the nose fairly well, putting a portside aspirant on the bench. He was replaced by a righthander, who, sad to say, suffered some too.

The Y. M. C. A. boys put up a fair game of ball, but were out-classed. Larnouth put up a swell game on second, accepting every thing that came his way. A. Vinson was there with the big mitt, taking the fast ones off the bat and steadying the pitcher, who was inclined to blow up. He had a nice peg to the second sack every time one tried to steal.

The Athletics ran the bases at will. These boys are rapidly rounding to shape and when they have worked a short time longer they will make it warm for most any bunch in their class. Quite a nice crowd witnessed the game.

Atlanta Brood Coop

MADE OF HEAVY

GALVANIZED IRON

We Claim for this Coop Many Advantages Over Any Other on the Market

FIRST: They are collapsable, and can be put away in the fall in a few minutes in a very small space and reassembled when needed in two minutes each.

SECOND: The sanitary features of these coops cannot be excelled, as the ventilation is perfect and the bottom can be removed in one minute without any trouble, quickly cleaned and replaced, without removing any other section of the coop, as there are no bolts, screws, hinges or fastenings to bother with. Lice or vermin will not harbor in galvanized iron, there being no crevices in which to secrete themselves and multiply nor for disease germs to find a lodging place. These coops are absolutely proof against Rats, Weasles, Minks, Skunks and other chicken eating animals. Government statistics show that rats destroy more chickens every year than every other agency.

THIRD: It is made of heavy Galvanized Iron and is as rigid as a wooden coop, but does not hold dampness, it is also absolutely weather proof, even in the most driving rain. It is as cheap as any wooden coop and has many advantages not found in them. The different doors can be set in an instant and will remain when placed until changed.

FOURTH: Made in two sizes with 8 and 9 inch revolving doors.

Imitators
Can't
Compete

When an article becomes standard, it is imitated.

Practically every kitchen cabinet made is modeled nearly as possible after the Hoosier.

But you won't find in any kitchen cabinet the high grade material, the splendid craftsmanship, the fine durable finish, that distinguishes every kitchen cabinet with the Hoosier trade mark.

Hoosier Kitchen Cabinets are made to last a lifetime—and to save a few thousand steps and two hours time, every day.

Particular people use them—they cost no more.

Value of a Friend.

A blessed thing it is for any man or woman to have a friend; one human soul whom we can trust utterly; who knows the best and the worst of us, and who loves us, in spite of our faults; who will speak the honest truth for us, while the world flatters us to our face and laughs at us behind our back; who will give counsel and reproof in the day of prosperity and self conceit; but who, again, will comfort and encourage us in the day of difficulty and sorrow, when the world leaves us alone to fight our own battle as we can.

If we had the good fortune to win such a friend, let us do anything rather than lose him.

We must give and forgive, live and let live. If our friends have faults, we must bear with them.

We must hope all things, believe all things, endure all things, rather than lose that most precious of all possessions earthly—a trusty friend.

And a friend once won never need be lost, if we will only be trusty and true ourselves. Friends may part, not merely in

body, but in spirit, for awhile. In the bustle of business and the accidents of life they may lose sight of each other for years; and more—they may begin to differ in their success in life, in their opinion, in their habits, and there may be, for a time, coldness and estrangement between them; but not forever, if each will be but trusty and true.

For then, according to the beautiful figure of the poet, they will be like two ships, which set sail at morning from the same port, and ere nightfall lose sight of each other, and go each on its own course, and its own pace, for many days, through many storms and seas; and yet meet again and find themselves lying side by side, in the same haven when their voyage is past.—Kingsley.

Is there anything in all this world that is of more importance to you than good digestion? Food must be eaten to sustain life and must be digested and converted into blood. When the digestion fails the whole body suffers. Chamberlain's Tablets are a rational and reliable cure for indigestion. They increase the flow of bile, purify the blood, strengthen the stomach, and tone up the whole digestive apparatus to a natural and healthy action. For sale by all dealers.
